Third Year
Illinois, 1987

Following a near year-long national search, the University of Missouri Board of Curators announced the appointment of Dr. Mun Y. Choi, 52, as the 24th president in the history of the University of Missouri System on November 2, 2016. The former provost and executive vice president of the University of Connecticut (UConn), Dr. Choi succeeded Interim President Michael Middleton on March 1, 2017.

Dr. Choi's 24-year career in higher education includes his previous position as provost and executive vice president at UConn, one of the nation's top 20 public universities in the latest U.S. News rankings. At UConn, he oversaw a budget of $700 million while working with 1,500 full-time faculty, 31,000 students and 2,000 staff across 12 schools and colleges including Schools of Medicine, Dental Medicine and Law. Under his leadership, UConn developed several innovative new programs that have resulted in enrollment growth, increased faculty hiring, innovative research and new and expanded industry partnerships.

Born in South Korea, Dr. Choi came to the U.S. as a child. As a young man, he worked in his family's successful business in Chicago, and later graduated from the University of Illinois at Urbana-Champaign with a bachelor's degree in general engineering in 1987. He later earned a master's degree and doctorate in mechanical and aerospace engineering from Princeton University.

Prior to serving as provost and executive vice president, Dr. Choi was dean of engineering at UConn from 2008 to 2012. Earlier, he was department head of mechanical engineering and mechanics at Drexel University (2000-2008) and assistant and associate professor at the University of Illinois at Chicago.

DR. ALEXANDER N. CARTWRIGHT

CHANCELLOR, UNIVERSITY OF MISSOURI
Third Year
Iowa, 1989

Since joining the University of Missouri in August 2017, Chancellor Alexander N. Cartwright has continuously advocated for student success initiatives, growth of scholarship across all disciplines and Increased efforts to improve engagement with Missourians and beyond.

During 2018, Dr. Cartwright led MU in developing a blueprint for the next five years — The Flagship of the Future. This strategic planning document lays groundwork for innovation and growth at Missouri's flagship, land grant university.

Shortly after arriving at MU during fall 2017, Dr. Cartwright announced the Missouri Land Grant program, a commitment to helping students who are Pell Grant eligible by covering their tuition and fees. He has since launched programs designed to improve retention and graduation rates as well as post-graduation outcomes for students.

As part of the strategic planning process, MU has developed a roadmap for significantly increasing it's more than $200+ million annual research expenditures, along with other key scholarship metrics, by creating faculty development and support programs. He continues to focus on economic development as an outcome of being a research university across the state – building on the current annual

$3.9 billion economic impact MU has on Missouri.

During his first year on campus, MU experienced a record year for cash donations as the university's endowment — and ongoing capital campaign, 'Our Time to Lead' — exceeded the $1 billion mark.

Dr. Cartwright came to MU from the State University of New York (SUNY) where he served as provost and executive vice chancellor from September 2014 to July 2017. At SUNY Dr. Cartwright oversaw a broad portfolio, including

academic policy, enrollment management, and more. Dr. Cartwright came to the role of SUNY's provost from the University at Buffalo, State University of New York

(UB), where he served on faculty since 1995. At UB, he held several senior administrative positions, including vice president for research and economic development and acting executive director of the New York State Center of Excellence in Bioinformatics and Life Sciences. In these roles, he was responsible for campus/industry relations, research funding and compliance, and research support for UB and the Center.

An internationally recognized researcher and scholar in the area of optical sensors, he is a fellow of the American Association for the Advancement of Science, SPIE, and the National Academy of Inventors. Dr. Cartwright is a prior

winner of both the National Science Foundation CAREER Award and the Office of Naval Research Young Investigator Award. In addition, he earned the 2002 SUNY Chancellor's award for excellence in teaching.

A native of the Bahamas, Dr. Cartwright holds a PhD in electrical and computer engineering from the University of Iowa. He and his wife Melinda have two children, both now in college, Andrew and Alyssa.

PAMELA BRUZINA

FACULTY ATHLETICS REPRESENTATIVE
19th Year
Wisconsin, 1991

Dr. Pam Hinton was appointed Faculty Athletics Representative in May, 2017, for a five-year term. Previously, Dr. Hinton served as an executive member of the Intercollegiate Athletics Committee (IAC) and was the IAC Compliance Subcommittee Chair and the Student-Athlete Welfare Subcommittee Chair. Her dedication to the welfare of our student athletes was evident during her time on the IAC.

Dr. Hinton has served in the Department of Nutrition and Exercise Phisiology since 2000. She has been an Associate Professor of Nutritional Sciences at MU since 2006, and has served as the department's Director of Graduate Studies, Nutritional Sciences, since 2010.

Dr. Hinton's lab investigates the interactive effects of nutrition and physical activity on bone health. In particular, Dr. Hinton's lab is studying the effects of energy balance on bone turnover during weight loss and weight maintenance in overweight individuals. In addition, Dr. Hinton is studying the efficacy of exercise-based interventions to increase

bone mineral density in osteopenic males.

She was a student-athlete at the University of Wisconsin, competing in track and cross country. She earned a bachelor's degree, with, distinction, in molecular biology, which provides her with firsthand knowledge of the demands placed on student athletes.

JIM STERK

DIRECTOR OF ATHLETICS
Fourth Year
Western Washington, 1980

Jim Sterk was named Mizzou's 20th Director of Athletics on Aug., 9, 2016, following highly successful tenures leading athletics programs at San Diego State, Washington State and Portland State.

"This is a wonderful day for Mizzou and Tiger fans everywhere," said then-University of Missouri Interim Chancellor Hank Foley, who selected Sterk following a nationwide search. "Jim's leadership in intercollegiate athletics is unparalleled, and we are thrilled he is going to bring his talents, energy and passion for working with student-athletes to Columbia. He is just what Mizzou needs at this time."

Sterk's Win It Right vision for Mizzou Athletics is built upon the core values of Respect, Integrity, Gratitude, Humility and Together, and his first three years in Columbia have produced unprecedented academic and athletic success under his leadership.

The classroom achievements of Mizzou's student-athletes continued in 2018-19, as they produced the top two semester grade-point averages in school history with an overall record 3.125 for the Fall 2018 semester and a record Spring term 3.11 mark. All-told, more than 60 percent of MU's nearly 550 student-athletes achieved a 3.00 mark in the classroom each semester. Some 357 student-athletes earned University Dean's List honors for at least one semester, 265 were named to the SEC Academic Honor Roll, including 69 selected to the SEC First-Year Freshman Honor Roll, and 101 completed their Mizzou Made journey by earning their degrees.

Mizzou's NCAA academic metrics remain strong, as it produced a school-record tying Graduation Success Rate (GSR) of 91 for the second-straight year to rank third in the SEC behind Vanderbilt (97) and South Carolina (94), as no other league school produced a mark higher than an 89. It marked the 12th-straight year Mizzou equaled or improved its GSR score as five teams produced SEC-leading marks of 100--Baseball, Women's Basketball, Women's Golf, Women's Tennis and Soccer.

After finishing a school-record 33rd in the Learfield IMG Directors' Cup standings in Sterk's first two years, Mizzou placed 51st in 2018-19, which was still a five-place improvement over its average finish of 56th in the award's first 25 years, and 15 of 20 programs were represented in the postseason either as teams or individuals. Mizzou Football, which played in back-to-back bowl games for the first time since the 2013 and 2014 seasons, was one of six Tiger programs to finish among the nation's Top 25 as it was 23rd in the final College Football Playoff rankings to join Wrestling (sixth-place NCAAs), Men's Swimming & Diving (11th-place, NCAAs), Women's Gymnastics (17th), Women's Swimming & Diving (23rd, NCAAs) and Volleyball (23rd). Mizzou Wrestling also swept the Mid-American Conference regular-season and tournament titles for the second-straight year.

Administratively, Sterk and his team continued to position Mizzou Athletics for future successes. Ground was broken in March 2018 on the largest campus construction project in school history, the $98M South End Zone Facility, Mizzou Football's new den that will open ahead of the 2019 season. The Tiger Scholarship Fund (TSF) saw a $17M increase over the previous year's productivity en route to its third-highest year ever in total cash and pledges of $40.7M, which included a second-straight record-setting year in student-athlete scholarship support of $11.4M. It marked the first time TSF produced top three marks in the same year for annual fund dollars raised (No. 1), cash donations (No. 3) and productivity (No. 3). A new 10-year multi-media rights agreement with Learfield was signed, and the department entered into a partnership with the City of Columbia to build a new championship cross country course that will open in August 2019. Mizzou Athletics also continued to build upon its successful partnership with MU Extension in outreach to the state's citizens.

Sterk's second year in Columbia saw Mizzou student-athletes post an overall then-record grade-point average of 3.04 for the 2017-18 academic year. In the 2017 Federal Graduation Rates survey, Mizzou ranked second in the SEC with its 72 percent mark, a performance which also matched the highest mark in program history (72 percent in 2014-15) and was three points higher than the University's average for all students during that same span.

Mizzou equaled its best finish ever in the 2017-18 Learfield Directors' Cup standings, as it totaled 660.75 points to finish 33rd nationally for the second-straight year. A record 17 of the Tigers' 20 programs were represented in postseason competition with a school-record 15 earning Directors' Cup points. Mizzou captured a pair of conference titles (Mizzou Wrestling won the MAC regular season and tournament crowns) while 11 teams ranked in the nation's Top 25 at some point in 2017-18.

The Tigers produced Top 25 2017-18 NCAA Championship finishes in Wrestling (sixth), Women's Indoor Track & Field (ninth), Women's Outdoor Track & Field (11th), Women's Swimming & Diving (15th), Volleyball (Sweet 16) and Men's Swimming & Diving (23rd). It also marked the first time since 1981-82 that Mizzou Football played in a bowl game and both Tiger Basketball teams reached the NCAA Tournament in the same academic year. Track & Field standout Karissa Schweizer (3,000m and 5,000m at the NCAA Indoor Championships; 5,000m at NCAA Outdoor Championships) captured three more NCAA individual titles as a senior to cap her fabulous collegiate career with six national championships.

Mizzou Athletics enjoyed academic, athletic and administrative success in Sterk's first year, too.

Academically, 269 Mizzou student-athletes received 2016-17 SEC Honor Roll recognition, 14 teams registered a 3.00 grade-point average for the Spring 2017 semester and four teams recorded perfect NCAA Academic Progress Rate marks of 1,000—Women's Golf, Women's Tennis, Soccer and Volleyball. Tiger student-athletes also spent over 4,800 hours volunteering with more than 50 organizations in Columbia and the surrounding communities.

Fueled by Top 16 NCAA Championship finishes in Wrestling (fifth), Women's Indoor Track & Field (eighth), Men's Swimming & Diving (ninth), Women's Swimming & Diving (13th), Women's Cross Country (16th) and Volleyball (Sweet 16), Mizzou ranked a program-best 33rd in the 2016-17 Learfield Directors' Cup standings with a school-record 662.75 points. The Tigers had not finished better than 36th prior to 2016-17.

Sixteen Mizzou teams were represented in 2016-17 NCAA postseason play, two teams won conference titles (Volleyball and Wrestling) and 10 squads ranked among the nation's Top 25 in their respective sports at season's end. In addition, two Tigers combined to win four NCAA individual titles as wrestler J'den Cox won his third national title at

197 lbs., and Schweizer became just the fourth runner in NCAA history to win the women's distance triple crown (cross country, indoor 5,000m and outdoor 5,000m national titles), and first since 2008.

The generosity, loyalty and passion of more than 7,000 donors allowed the Tiger Scholarship Fund (TSF) to raise a school-record $50.4 million during the 2016-17 fiscal year, shattering the previous record by more than $4.7 million. TSF's record-breaking total, which included new pledges and cash gifts, was aided by a school-record 11 gifts of $1 million or more.

Sterk joined the Mizzou family from San Diego State, where he enjoyed a highly-successful six-year tenure that included arguably the most successful five-year run in Aztec history with 32 team conference championships from 2011-12 thru 2015-16, including a Mountain West Conference-leading 28 titles in that span, and the nation's fourth-highest combined winning percentage in football and men's basketball. In addition, SDSU was one of only four schools nationally to have appeared in six-consecutive NCAA Men's Basketball Tournaments and have its football team play in five-straight bowl games over that stretch.

"Jim elevated SDSU to a respectable level both athletically and academically," said Marshall Faulk, a member of the Pro Football Hall of Fame and former St. Louis Ram and SDSU Aztec. "His leadership was instrumental in the rise of SDSU success. How we cared for our student-athletes was his No. 1 concern. While I'm sad to see him go, I am equally happy for Jim and his family, and I told him he is going to love the people of Missouri. Mizzou, you hired a man with impeccable integrity."

SDSU set a school-record with 13 programs setting multi-year highs in the NCAA's 2016 Academic Progress Report with 313 student-athletes honored for their academic achievements. The athletic department also enjoyed a record fundraising year for scholarships and a new basketball facility.

Sterk was named the 2015-2016 Under Armour Athletic Director of the Year by the National Association of Collegiate Directors of Athletics, which highlights the efforts of athletic directors for their commitment and positive contributions to student-athletes, campuses and their surrounding communities. He was also appointed to the NCAA Division I Men's Basketball Committee as the Mountain West Conference's representative, however, he had to relinquish that prestigious position when he took over at Mizzou.

"My passion is building upon the successes of good athletic programs and helping to make them great," Sterk said. "Whether it is guiding and mentoring student-athletes, working with coaches to ensure they have the resources they need or cheering with the fans, I realize that athletics is one of the most visible programs at a university, and I am excited to lead it on the national stage."

Sterk went to SDSU from Washington State, where he served as athletics director from 2000-10. Prior to his hiring at WSU, he was athletics director at Portland State from 1995 to 2000.

The NCAA recognized WSU and Sterk in 2006 as the Division IA Athletic Directors' "Program of Excellence." He oversaw a period of unparalleled success at WSU with historic academic and athletic accomplishments during his Pullman tenure.

In his last three years at WSU, 13 Cougar teams competed in NCAA Tournaments, including back-to-back trips by the Men's b=Basketball team (2007 and 2008), while Women's Rowing earned five NCAA championship bids, including a fourth-place finish in 2006, the highest finish ever by a WSU women's team in NCAA competition.

A 1980 graduate of Western Washington University, Sterk earned four letters for the Vikings in football and one in basketball. He was credited with a school-record 164 tackles during the 1977 season, garnering first-team NAIA District I all-star accolades. He was named team captain and MVP, helping the Vikings to the district championship game. In 2010, Sterk was inducted into Western Washington's Athletics Hall of Fame for his gridiron success.

He received his master's degree in sports administration from Ohio University. In addition to SDSU, Washington State and Portland State, he has served in athletic administrative positions at North Carolina, Maine, Seattle Pacific and Tulane.

Sterk and his wife Debi have three daughters: Ashley, Amy and Abby, and an infant granddaughter Kinsley Jane.

The 2019 Tigers finished 17th in the national rankings, which tied the team's best finish since 2010. At the 2019 NCAA Athens Regional, Missouri tallied both the highest regional score (196.625) and the top regional beam total (49.200) in program history. Senior Brooke Kelly Senior Brooke Kelly became the 10th Tiger to earn an individual berth to the NCAA Championships after she qualified on beam.

Mizzou knocked off four top 25 teams during the 2019 season, including a win over No. 10 Kentucky and a tie with No. 7 Michigan. The Tigers also recorded the second-highest beam score in program history (49.425), the sixth (49.425) and seventh (49.400) best floor scores and the ninth-best vault total (49.275) over the course of the campaign.

Welker's fifth season at Mizzou saw the Tigers knock off three top 10 teams during the regular season. On March 2, Missouri defeated No. 5 Florida, 196-925-196.925, for the first victory over the Gators in program history. Mizzou also defeated Arkansas twice this year while the Razorbacks were ranked in the top 10. Overall, the Tigers went 9-7 in the regular season, including conference wins over No. 5 Florida and No. 10 Arkansas. The squad also concluded the year ranked 20th in the nation, the third-straight season Mizzou ended the year in the top 20.

In his fourth year with Missouri, Welker's Tigers finished 17th in the national rankings and a third-place finish at the NCAA Gainesville Regional, only one spot shy of qualifying for the NCAA Championships. The 2017 season also saw Mizzou go 3-4 in Southeastern Conference dual meet action, with wins over No. 12 Arkansas, No. 12 Kentucky and No. 18 Auburn. The Tigers entered the season with just one SEC dual win in program history. Additionally, Missouri recorded the third and fourth-highest scores in program history in 2017, with a 197.200 against Auburn and a 197.150 one week later against Kentucky.

Missouri recorded three scores of at least 196.625 or higher during the year in 2016, only the second time Mizzou accomplished that in the 37 year history of the program. Additionally, the Tigers defeated No. 9 Georgia 195.800-195.350 for the team's first top-10 win since 2012. Under Welker's tutelege, freshmen Morgan Porter earned SEC Freshman of the Year honors and was the first Tiger gymnast to qualify for the NCAA Championships since 2012.

Under Welker's direction, the Tigers were the nation's most improved program in 2015. Mizzou finished the season ranked 21st, a full 20-spot increase from the previous year and the biggest jump in the country. The 2015 Tigers also qualified for their first NCAA Regional since 2012, where they scored a 196.100, the second-best Regional score in program history.

Additionally, Mizzou entered the top-25 for the first time since 2012 and scored at least 195 10 times in 13 meets. The Tigers also topped 196 twice during the season for the first time since 2012 as well.

In his first year in Columbia in 2014, Welker quickly installed his Championship Culture to the squad. Over the season, the Tigers went 6-7 in the regular season and scored the sixth-best bars score (49.300) in program history against George Washington.

During his time at Michigan, Welker was primarily responsible for coaching the vault and floor squads in addition to serving as the recruiting coordinator. Welker guided his vault squads to three top-ten finishes during his time at Michigan, and his 2012 vault team finished at No. 11 in the nation. Under his direction, the Michigan floor squads also finished among the nation's top-10 four times. As a team, Michigan closed out the 2013 season ranked at No. 7 in the nation, and Welker assisted the team to a top-15 finish in each of his seasons in Ann Arbor.

Welker coached five gymnasts to 12 All-American honors while at Michigan including the 2013 NCAA National Floor Champion, Joanna Sampson. He also produced three NCAA Regional Championship floor title winners and back-to-back NCAA Regional Champions on vault. Four of his gymnasts won event titles at the Big Ten Championships, and Welker assisted the Wolverines to three NCAA National Championships as well.

"My family and I are extremely excited about this opportunity to join the University of Missouri Athletics family," Welker said. "I am looking forward to leading the gymnastics program to new levels of success. It is really an ideal situation for me and my family to be able to return to our home state. We are certainly proud to be part of Mizzou's long history of athletic and academic excellence."

Before coaching at Michigan, Welker spent one year as an assistant coach at Bowling Green, where he coached two gymnasts to the NCAA Regional Championships for the first time in program history. Before working with the Falcons, Welker served as the head women's gymnastics coach and program director at the St. Louis Gymnastic Center for nine years.

A four-year competitor on the University of Illinois at Chicago men's gymnastics team, Welker served as a team captain for three years and earned NCAA All-American honors in 1996. He was also awarded UIC Athlete of the Year honors that season. Welker spent a year as an assistant men's gymnastics coach for UIC, and was also inducted into the University of Illinois at Chicago Athletics Hall of Fame in 2005.

Welker earned his undergraduate degree in kinesiology from the University of Illinois at Chicago in 1998, and also received his master's degree in sports management from Eastern Michigan University in 2012. Welker and his wife, Molly, have two sons, Ian and Brendan.

HALL OF FAME
INTERCOLLEGIATE ATHLETICS
UNIVERSITY OF MISSOURI
EST. 1990

"To recognize and honor those individuals who have made exceptional contributions to the achievements and prestige of the University of Missouri in the field of athletics, and who have continued to demonstrate in their lives, the values imparted by intercollegiate athletics."

The University of Missouri Intercollegiate Athletics Hall of Fame was made possible by the 1989 bequest of $100,000 from the estate of the late A.C. (Ace) and Mary Stotler. It is located in the lobby of the main entrance to Mizzou Arena, after being housed in the Hearnes Center until the fall of 2004. The first class was enshrined in 1990, in conjunction with Mizzou's observance of its 100th football season.

Induction into the Hall of Fame is the highest honor bestowed upon a Mizzou student-athlete, coach or administrator.

he general public is invited to submit nominations by filling out the online form at www.MUTigers.com. For more information, please contact Chad Moller, Associate AD-Strategic Communications, University of Missouri, P.O. Box 677, Columbia, MO 65205.
